

EDF Commission Regulations

1. Appointment of Commission Head

1.1 The Head of each Commission shall be appointed by the Council.

1.2 The Commission Head is responsible for overseeing the Commission's operations, ensuring its mandate is fulfilled, and reporting to the Council, except in cases where confidentiality is required.

2. Selection of Commission Members

2.1 The Commission Head or the Council (where applicable) shall appoint a minimum of two additional Commission members.

2.2 These members must:

- Not be from the same Member NF as each other, including the Commission Head.
- Possess relevant expertise or experience connected to the Commission's mandate (e.g., dodgeball governance, anti-doping, or sports administration).

3. Minimum Composition Requirements

3.1 Each Commission must have a minimum of three total members, including the Head.

3.2 Additional members may be added if deemed necessary by the Commission Head or the Council (where applicable).

4. Representation and Diversity

4.1 Efforts should be made to include members with diverse professional and geographical backgrounds to ensure a balanced perspective in decision-making.

5. Eligibility Restrictions

5.1 Members of the Council are not eligible to serve on any Commission to maintain independence and prevent conflicts of interest.

5.2 All Commission members must disclose any potential conflicts before appointment.

6. Accountability

6.1 The Commission Head is responsible for ensuring all Commission members actively participate and contribute to the Commission's work.

6.2 The Head must report all decisions and actions of the Commission to the Council on a regular basis, except in cases where confidentiality is required.
